

# Child Protection Form

Due to the state of our society, we want to be prudent and require that churches enter into the following agreement with Christian Endeavor to protect those who are 17 years of age and younger. This is to ensure the safety of your group and other groups' teenagers and adults. The criminal background checks we require are the **Pennsylvania State Police Criminal Record** Check Form (SP4-164) and **Pennsylvania Child Abuse History** Clearance Form (CY-113) or an equivalent background check. *Federal criminal history record information with full set of fingerprints must also be on file, unless they have lived in Pennsylvania continuously for the last 10 years and confirm in writing that they have not been convicted of a felony or sex crime within the previous five years.*

**This agreement is between Pennsylvania Christian Endeavor (incorporated name) and:**
