Hello;

Thank you for your interest in being a Summer Staff member with C.E. Mission Weeks. This will be a life enhancing experience for you as you grow closer to God through service to others.

The Summer Staff opportunities seek to fulfill a calling to train leaders to make a difference in their families, schools, churches, workplaces and wider communities for Christ. All Summer Staff will experience training that will prepare them for a life of service and putting Faith into Action as part of Building Lives: Now and Forever.

A stipend, along with food, lodging, and registration costs, are all covered by Christian Endeavor. You can receive additional financial compensation through supporters. The office will provide assistance throughout the support process.

Young people do change the world. And you can be part of changing the world for Christ. Please begin to pray about whether God may be calling you to invest your time, gifts, and talents to serve Him alongside us during our C.E. Mission Weeks.

We hire up to eight people to offer an awesome ministry experience to attendees. The roles to be filled are Administration Support, Camp Gathering Coordinator, Visual Media Coordinator, Worship Song Leading Coordinator, and Work Coordinator Support.

A person will be hired for four weeks of work camps, a week of training and at the most five days of work camp set up before the first week of attendees. Additionally there will be time after work camp of unloading the trailer, taking an inventory of items to be stored till next summer, and debriefing.

To find out more about the ministry of Christian Endeavor email me at pmarkloff@CEworks.faith or call the office at 610-369-0207.

Final note: construction experience and knowledge is not required to be a Summer Staff member.

I look forward to receiving your application and possibly arranging an interview for you to be a C.E. Mission Weeks Summer Staff member.
