

Christian Endeavor Coach Contract

C. E. **INSPIRES**, **EQUIPS** and **ENCOURAGES** churches to Biblically develop youth as Christ-centered leaders

After prayerfully considering the role of Coach for Christian Endeavor and reading the Christian Endeavor Essentials, I choose to commit to the following:

I acknowledge Jesus Christ as my personal Savior, Lord and Leader of my life.

I commit to growing and maturing in my relationship with God by spending time in His Word, talking with Him in prayer and fellowshiping with the 'family' by regular church attendance.

I understand that being a Coach for Christian Endeavor will make me a role model for the youth involved in the ministry and in the community.

I will strive to live a godly lifestyle in order to follow God faithfully and be a positive example for the youth.

There are currently no practices in my life of any addictive nature that could hinder my relationship with God or my ministry with the youth.

I will seek out godly counsel in order to grow, mature and have accountability.

I will develop a prayer team that will commit to pray daily for me.

I will pray daily for the youth under my care.

I will encourage and develop the youth to be all they can be for God and His glory.

I will submit to the authority of God and my church, including the leadership of the church pastor and youth ministry leader.
