

## ROOMMATE ASSIGNMENT FOR SUMMER ASSEMBLY

The lodges at Refreshing Mountain are designed for families. **The maximum number that any room can accommodate is 6 (1 bunk bed and 2 queen beds).** Since youth will be sharing beds, we recommend using sleeping bags. We try to put youth from the same church in adjoining rooms. Divide your youth and advisors accordingly. **1 advisor must be in each room.** Additional space can be found on the other side. All rooms in the lodge are also air conditioned.
