

ROOMMATE ASSIGNMENT FOR WINTER WOW AT PINEBROOK 2024

The cabins at Pinebrook accommodate five or six people. We try to put youth from the same church in adjoining cabins. Assignments are made based on the number of youth attending from one church and the number of advisors for the youth. **The maximum number that any cabin can accommodate is 6. (2 sets of bunk beds and 1 queen bed). One of the 6 must be an advisor.** Two people must share the queen bed to accommodate 6. Try to have at least 5 in your cabins, if possible. Please call the registrar if you have questions about these arrangements. Divide your youth and advisors accordingly. Additional space can be found on the other side.
